

THE GREENE COUNTY RECORD ANNOUNCEMENT GUIDELINES

1. Weddings, engagements, anniversaries, birthday, photo birth announcements and any photo announcement will appear in the Thursday Celebrations section of The Greene County Record.
2. All announcements must be received in our office Friday by 5 p.m., 13 days before the desired Thursday publication date. Announcements submitted after deadline will be published the following Thursday.
3. We allow professional quality photographic prints, or digital images submitted on CD or disk. Depending on the desired format, photos will be cropped to fit the proportional constraints of the image size. We reserve the right to refuse photos that are deemed to be of poor quality and poor taste and the right to crop photos as necessary. Studios requesting credit must have their name clearly indicated with a copyright label on the back of the photo or a release form.
4. The Greene County Record is not responsible for defects in newsprint, irregularities or errors in printing, images caused by material on the opposite or reverse sides of the page, or any mechanical problems resulting in poor quality of photos or text production of wedding, engagement or anniversary information.
5. You may personalize your write-up or use the prepared forms to help you with your announcement. Announcements should be typed or clearly legible with specific details of the event. Customers wishing to email the text and photo prior to delivering the authorization form are encouraged.
6. Announcements are also subject to the terms and conditions contained in the Authorization for Announcement Publication forms. The authorization form must be signed by one of the principals (bride, groom, parents) with an address and day-time telephone number.
